PROFESSIONAL SUMMARY

Hi there! I'm Noor Ismot Ara, **ISTQB certified** and a **dedicated** Software Quality Assurance and Tester based in Sweden, originally from Bangladesh. I've worked on **20+ projects** for a **global pharmaceutical company**, adhering to all **test standards**.

Skilled in creating **test plans, executing tests, and overseeing pre/post-release activities**. My **commitment** to excellence and **collaboration** with **diverse teams** ensures **meeting deadlines** and successful project delivery.

Currently working at **SustainLab**, integrating my software testing proficiency with **data analytics** technology. When I'm not testing, I enjoy listening to tech podcasts and traveling.

I'm seeking to lead a challenging career and **contribute** to a **progressive company's goals** while **enhancing** my **skills and knowledge**.
